Dear Mr. Bley:

Based on the corrective action response our office received on May 11, 2009 and the enclosed documentation, violation 1 cited during the RCRA inspection referenced above has been corrected.

Please be aware that a report of this inspection is submitted to the Bureau of Waste Management (BWM) in Topeka for review. Each report is reviewed and an evaluation is made to determine if additional enforcement is warranted. A penalty may be issued by BWM for violations identified during the inspection.
